ANNUAL INDEX to Volume 53

Index to Authors

A

Anne, Martin. *"A Quarry without Minerals."* May-June, p. 91.

B

Batory, Dana Martin. *A General History of Zinc Mining in Arkansas.* Sept.-Oct., p. 219.
Blazek, Mark C. *The Mica Minerals.* Jan.-Feb., p. 5; *A Collector's View of New Zealand.* Nov.-Dec., p. 254.
Brookmyer, Byron. *Pennsylvania's Cornwall-Type Iron Mines.* May-June, p. 135.
Brunet, William. *Hetrosite-Purpurite Locality in Litchfield, Connecticut.* Mar.-Apr., p. 63.

C

Carlon, Patricia. *The Funk Gem and Mineral Museum.* July-Aug., p. 182.
Carper, Edward G. Jr. *The New Enterprise Quarry of Roaring Spring.* May-June, p. 112.
Craig, James R. *The "Cobaltite" Crystals from the Kibblehouse Quarry.* May-June, p. 130.
Cox, Robert. *The Micromounters Corner: Search for Perfection.* July-Aug., p. 186.

D

Dayvault, Dick. *Smoky Quartz in the Liberty Hill Pegmatite.* Sept.-Oct., p. 208.
Dietrich, R. V. *Halite Fossils in a Niagaran Reef in Eastern Michigan.* July-Aug., p. 176; *Official State Rocks and Minerals.* Jan.-Feb., p. 15.

F

Freeland, Howard R. *Turquoise from Virginia's Kelly Bank Mine.* Sept.-Oct., p. 214; *Limonite after Wood Fossils, Louisa County, Virginia.* Nov.-Dec., p. 268.

G

George, Richard L. *Man and Chert in Western Pennsylvania.* May-June, p. 104.
Giardini, A. A. *Inclusions in Diamonds: Revelations from the Earth's Interior.* Mar.-Apr., p. 48.
Green, Richard D. *The Micromounters Corner: What's New in Micromounts?* Nov.-Dec., p. 269

H

Hanahan, Jack Jr. *The Foote Minerals.* July-Aug., p. 158.
Hendricks, Bartlett. *The Berkshire Museum, Pittsfield, Massachusetts.* Nov.-Dec., p. 258.
Hill, Roderick J. *The "Cobaltite" Crystals from the Kibblehouse Quarry.* May-June, p. 130.
Hoff, Donald. *Campbell's Quarry.* Nov.-Dec., p. 247.

J

Jensen, David. *6th Annual Eastern Federation Workshop.* Nov.-Dec., p. 274.

K

Keidel, F. A. *The Kibblehouse Quarry.* May-June, p. 128.
King, Vandall T. *World News on Mineral Occurrences.* Jan.-Feb., p. 25; *World News on Mineral Occurrences.* Mar.-Apr., p. 68; *World News on Mineral Occurrences.* July-Aug., p. 179; *World News on Mineral Occurrences.* Sept.-Oct., p. 225; *World News on Mineral Occurrences.* Nov.-Dec., p. 260.

L

Lamborn, Richard. *The Paleontology of Western Pennsylvania.* May-June, p. 99.
Lininger, Jay. *The Native Copper and Piemontite Localities of Adams County.* May-June, p. 140.
Lyons, Florence G. *Chips and Bits from EFMLS Clubs.* Jan.-Feb., p. 32; *Chips and Bits from EFMLS Clubs.* Mar.-Apr., p. 73; *Chips and Bits from EFMLS Clubs.* Sept.-Oct., p. 239; *Chips and Bits from EFMLS Clubs.* Nov.-Dec., p. 271.

M

Marble, Laura. *The Foote Minerals.* July-Aug., p. 158.
Mitchell, Richard S. *Inclusions in Diamonds: Revelations from The Earth's Interior.* Mar.-Apr., p. 48; *Minerals which Alternate with the Seasons: Epsomite versus Hexahydrite versus Starkeyite.* July-Aug., p. 174; *Turquoise from Virginia's Kelly Bank Mine.* Sept.-Oct., p. 214.
Myers, Robert G. *Minerals, Rocks and Fossils on Stamps.* Sept.-Oct., p. 202.

O

Oswald, Delbert L. *A New Pennsylvania Mineral.* May-June, p. 115; *Pennsylvania's Mineral Wealth.* May-June, p. 126.

P

Peters, Tom A. *The Paterson Museum, Paterson, New Jersey.* Mar.-Apr., p. 64.

R

Reiner, John. *Thumbnails.* Mar.-Apr., p. 72; *Thumbnails.* Sept.-Oct., p. 228.

S

Schmerling, Don. *"A Quarry without Minerals."* May-June, p. 91.
Schooler, Beth. *Pennsylvania—A Geological Gem.* May-June, p. 94.
Shaub, B. M. *Notes on the Origin of the Biggs Jasper.* Mar.-Apr., p. 56.
Simon, Robert I. *Minerals Found in Fossils: A Literature Survey.* Jan.-Feb., p. 16.
Speer, J. Alexander. *The "Cobaltite" Crystals from the Kibblehouse Quarry.* May-June, p. 130.

U

Urban, Joseph. *A Mineral Puzzle.* Sept.-Oct., p. 224; *One Locality Minerals of at least a Half Century.* Jan.-Feb., p. 10.

W

Wells, Ralph G. *Rare Earth Minerals from Pennsylvania.* May-June, p. 108.
Wicander, E. Reed. *Halite Fossils in a Niagaran Reef in Eastern Michigan.* July-Aug., p. 176.

Index to Localities

A

Arkansas—Batory, Dana Martin. *A General History of Zinc Mining in Arkansas.* Sept.-Oct., p. 219.
Australia—*Australia's Zebra Rock.* Sept.-Oct., p. 223.

C

Connecticut—Brunet, William. *Hetrosite-Purpurite Locality in Litchfield, Connecticut.* Mar.-Apr., p. 63

I

Illinois—Carlon, Patricia. *The Funk Gem and Mineral Museum.* July-Aug., p. 182

K

Kentucky—*The Headley Museum, Lexington, Kentucky.* Jan.-Feb., p. 28

M

Massachusetts—Hendricks, Bartlett. *The Berkshire Museum, Pittsfield, Massachusetts.* Nov.-Dec. p. 258.
Michigan—Wicander, E. Reed and R. V. Dietrich. *Halite Fossils in a Niagaran Reef in Eastern Michigan.* July-Aug., p. 176.

N

New Jersey—Peters, Tom A. *The Paterson Museum, Paterson New Jersey.* Mar.-Apr., p. 64
New Zealand—Blazek, Mark. *A Collector's View of New Zealand.* Nov.-Dec. p. 254.
North Carolina—Marble, Laura. *The Foote Minerals.* July-Aug., p. 158.

O

Oregon—Shaub, B. M. *Notes on the Origin of the Biggs Jasper.* Mar.-Apr., p. 56

P

Pennsylvania—Anne, Martin. *"A Quarry without Minerals."* May-June, p. 91; Brookmyer, Byron. *Pennsylvania's Cornwall-Type Iron Mines.* May-June, p. 135; Carper, Edward G. Jr. *The New Enterprise Quarry of Roaring Spring.* May-June, p. 112; George, Richard L. *Man and Chert in Western Pennsylvania.* May-June, p. 104; Hoff, Donald. *Campbell's Quarry.* Nov.-Dec., p. 247; Keidel, F. A. *The Kibblehouse Quarry.* May-June, p. 128; Lamborn, Richard. *The Paleontology of Western Pennsylvania.* May-June, p. 99; Lininger, Jay. *The Native Copper and Piemontite Localities of Adams County.* May-June, p. 140; Oswald, Delbert L. *A New Pennsylvania Mineral.* May-June, p. 115; Oswald, Delbert L. *Pennsylvania's Mineral Wealth.* May-June, p. 126; *Pennsylvania Rock Clubs.* May-June, p. 145; Schooler, Beth. *Pennsylvania—A Geological Gem.* May-June, p. 94; *Selected Pennsylvania Museums.* May-June, p. 144; Speer, J. Alexander, James R. Craig and Roderick J. Hill. *The "Cobaltite" Crystals from the Kibblehouse Quarry.* May-June, p. 130; Wells, Ralph G. *Rare Earth Minerals from Pennsylvania.* May-June, p. 108.

S

South Carolina—Dayvault, Dick. *Smoky Quartz in the Liberty Hill Pegmatite.* Sept.-Oct., p. 208.

V

Virginia—Mitchell, Richard S. and Howard Freeland. *Turquoise from Virginia's Kelly Bank Mine.* Sept.-Oct., p. 214; Freeland, Howard. *Limonite after Wood Fossils, Louisa County, Virginia.* Nov.-Dec., p. 268.

Index to Specific Minerals and Species

A

Actinolite—*Campbell's Quarry.* Donald Hoff. Nov.-Dec., p. 247.

Albite—*Campbell's Quarry.* Donald Hoff. Nov.-Dec., p. 247.
Smoky Quartz in the Liberty Hill Pegmatite. Dick Dayvault. Sept.-Oct., p. 202.

Allenite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

Anatase—*"A Quarry without Minerals."* Martin Anné, Don Schmerling. May-June, p. 91.

Azurite—*Pennsylvania's Cornwall-Type Iron Mines.* Bryon Brookmyer. May-June, p. 135.

B

Bastnasite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

Beryllium Minerals—*The Foote Minerals.* Laura Marble and Jack Hanahan Jr. July-Aug., p. 158.

Biotite—*The Mica Minerals.* Mark C. Blazek. Jan-Feb., p. 5.

Brookite—*"A Quarry without Minerals."* Martin Anne, Don Schmerling. May-June, p. 91.

C

Calcite—*Campbell's Quarry.* Donald Hoff. Nov.-Dec., p. 247; *The Kibblehouse Quarry.* F. A. Keidel. May-June, p. 128; *The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.

Celestite—*The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.

Chalcopyrite—*Pennsylvania's Cornwall-Type Iron Mines.* Bryon Brookmyer. May-June, p. 135.

Chert—*Man and Chert in Western Pennsylvania.* Richard L. George. May-June, p. 104.

Chlorite—*"A Quarry without Minerals."* Martin Anne, Don Schmerling. May-June, p. 91.

Cobaltite—*The Kibblehouse Quarry*. F. A. Keidel. May-June, p. 128; *The "Cobaltite" Crystals from the Kibblehouse Quarry.* J. Alexander Speer, James R. Craig, Roderick J. Hill. May-June, p. 130.

Columbite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

Copper—*The Native Copper and Piemontite Localities of Adams County.* Jay Lininger. May-June, p. 140.

D

Diamonds—*Inclusions in Diamonds: Revelations from the Earth's Interior.* Richard S. Mitchell, A. A. Giardini. Mar.-Apr., p. 48.

Dolomite—*"A Quarry without Minerals."* Martin, Anné, Don Schmerling. May-June, p. 91; *The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.

E

Epidote—*Campbell's Quarry.* Donald Hoff. Nov.-Dec., p. 247.

Euxenite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

F

Fairfieldite—*The Foote Minerals.* Laura Marble and Jack Hanahan Jr. July-Aug., p. 158.

Fergusonite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

Fluorite—*The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.

Fluorescent Minerals—*The Paterson Museum, Paterson, New Jersey.* Tom A. Peters. Mar.-Apr., p. 64.

G

Gadolinite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

Galena—*The Funk Gem and Mineral Museum.* Patricia Carlon. July-Aug., p. 182.

Gypsum—*Pennsylvania's Cornwall-Type Iron Mines.* Byron Brookmyer. May-June, p. 135; *The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.

H

Halite—*Halite Fossils in a Niagaran Reef in Eastern Michigan.* R. V. Dietrich and E. Reed Wicander. July-Aug., p. 176.

Heterosite—*Heterosite–Purpurite Locality in Litchfield, Connecticut.* William Brunet. Mar.-Apr., p. 63.

I

Ilmenite—*"A Quarry without Minerals."* Martin Anné, Don Schmerling. May-June, p. 91.

J

Jasper—*Notes on the Origin of the Biggs Jasper.* Ben M. Shaub. Mar.-Apr., p. 56.

K

Kimberlite—*Inclusions in Diamonds: Revelations from the Earth's Interior.* Mar.-Apr., p. 48.

L

Lanthanite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

Lepidolite—*The Mica Minerals.* Mark C. Blazek. Jan.-Feb., p. 5.

Limonite—*Limonite after Wood Fossils, Louisa County, Virginia.* Howard R. Freeland. Nov.-Dec., p. 268.

Lithium Minerals—*The Foote Minerals.* Laura Marble and Jack Hanahan Jr. July-Aug., p. 158.

M

Magnetite—*Pennsylvania's Cornwall-Type Iron Mines.* Byron Brookmyer. May-June, p. 135.
Matulaite—*A New Pennsylvania Mineral.* Delbert L. Oswald. May-June, p. 126.
Meteorites—*Meteorite Fragment Confirmed as Rare Type.* Nov.-Dec., p. 269.
Mica—*The Mica Minerals.* Mark C. Blazek. Jan.-Feb., p. 5.
Microcline—*Smoky Quartz in the Liberty Hill Pegmatite.* Dick Dayvault. Sept.-Oct., p. 202.
Monazoite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.
Muscovite—*Smoky Quartz in the Liberty Hill Pegmatite.* Dick Dayvault. Sept.-Oct., p. 202; *The Mica Minerals.* Mark C. Blazek. Jan.-Feb., p. 5.

P

Petoskey Stone—*Official State Rocks and Minerals.* R. V. Dietrich. Jan.-Feb., p. 15.
Phlogopite—*The Mica Minerals.* Mark C. Blazek. Jan.-Feb., p. 5.
Piemontite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108; *The Native Copper and Piemontite Localities of Adams County.* Jay Lininger. May-June, p. 140.
Prehnite—*The Paterson Museum, Paterson, New Jersey.* Tom A. Peters. Mar.-Apr., p. 64.
Purpurite—*Heterosite—Purpurite Locality in Litchfield, Connecticut.* William Brunet. Mar.-Apr., p. 63.
Pyrite—*The Kibblehouse Quarry.* F. A. Keidel. May-June, p. 128; *Pennsylvania's Cornwall-Type Iron Mines,* Byron Brookmyer. May-June, p. 135.

Q

Quartz—*"A Quarry without Minerals."* Martin Anné, Don Schmerling. May-June, p. 91; *Smoky Quartz in the Liberty Hill Pegmatite.* Dick Dayvault. Sept.-Oct., p. 202; *The Paterson Museum, Paterson, New Jersey.* Tom A. Peters. Mar.-Apr., p. 64.

R

Rutile—*"A Quarry without Minerals."* Martin Anné, Don Schmerling. May-June, p. 91.

S

Samarskite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.
Smithsonite—*The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.
Sphalerite—*The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.
Strontianite—*The New Enterprise Quarry of Roaring Spring.* Edward G. Carper Jr. May-June, p. 112.

T

Tin—*The Foote Minerals.* Laura Marble and Jack Hanahan Jr. July-Aug., p. 158.
Titanium—*"A Quarry without Minerals."* Martin Anné, Don Schmerling. May-June, p. 91.
Thorogummite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.
"Thunder Eggs"—*Official State Rocks and Minerals.* R. V. Dietrich. Jan.-Feb., p. 15.
Turquoise—*Smoky Quartz in Liberty Hill Pegmatite.* Dick Dayvault. Sept.-Oct., p. 202.

U

Uranite—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells, May-June, p. 108.

W

Wavellite—*Turquoise from Virginia's Kelly Bank Mine.* Richard S. Mitchell and Howard R. Freeland. Sept.-Oct., p. 214.

X

Xenotime—*Rare Earth Minerals from Pennsylvania.* Ralph G. Wells. May-June, p. 108.

Z

Zeolites—*Campbell's Quarry.* Donald Hoff. Nov.-Dec., p. 247; *The Kibblehouse Quarry.* F. A. Keidel. May-June, p. 128.
Zinc—*A General History of Zinc Mining in Arkansas.* Dana Martin Batory. Sept.-Oct., p. 219.

Cover Photographs

January-February—*Gold*, Mother Lode District, California. Photograph by Joel E. Arem.
March-April—*Biggs jasper,* Biggs Junction, Oregon. Photograph by Ben M. Shaub.
May-June—*Cacoxenite, beraunite and strengite.* Moore's Mill, Cumberland County, Pennsylvania. Photograph by Delbert L. Oswald.
July-August—*Fairfieldite*, Foote Mine, Kings Mountain, North Carolina. Photograph by Ben H. Kinkead.
September-October—Minerals, Gems and Fossils on stamps.
November-December—*Crocoite*, Tasmania. Photograph by Joel E. Arem.
